### To Whom It May Concern

*This is to certify that international known adventurers and authors, Heidi and Eric Wilts were welcome (and celebrated) guests at Fremantle Sailing Club for four months in 1994.*

*Eric and Heidi repaired their boat, rested and replenished stores before spending summer in the Antarctic in 1995/96. Club members benefited from Heidi and Eric's experiences and their film and discussion evenings were memorable events.*

*I commend Eric and Heidi to any Yacht Club or commercial marina. They are an institution in their own right and bring with them a wealth of marine adventures, particularly from the Antarctic.*

A handwritten signature in blue ink, appearing to read 'B.J. Adams', is written over a horizontal line.
